FOR THE DISTRICT OF MONTANA
MISSOULA DIVISION

FILED

DEC 13 2016

Clerk, U.S. District Court
District Of Montana
Missoula

UNITED STATES OF AMERICA,

Plaintiff,

vs.

STEVEN DON PJEVACH,

Defendant.

CR-16-24-M-DLC

FINDINGS AND
RECOMMENDATION
CONCERNING PLEA

The Defendant, by consent, has appeared before me under Fed. R. Crim. P. 11 and has entered a plea of guilty to one count of corrupt interference with the administration of the internal revenue laws, in violation of 26 U.S.C. § 7212(a) (Count I), as set forth in the Indictment. In exchange for Defendant's plea, the United States has agreed to dismiss Counts II through XVII of the Indictment.

After examining the Defendant under oath, I have made the following determinations:

1. That the Defendant is fully competent and capable of entering an informed and voluntary plea,

2. That the Defendant is aware of the nature of the charge against him and consequences of pleading guilty to the charge,

3. That the Defendant fully understands his constitutional rights, and the extent to which he is waiving those rights by pleading guilty, and

4. That the plea of guilty is a knowing and voluntary plea, supported by an independent basis in fact sufficient to prove each of the essential elements of the offense charged.

The Court further concludes that the Defendant had adequate time to review the Plea Agreement with counsel, that he fully understands each and every provision of the agreement and that all of the statements in the Plea Agreement are true. Therefore, I recommend that the Defendant be adjudged guilty of Count I of the Indictment, and that sentence be imposed. I further recommend that Counts II through XVII of the Indictment be dismissed.

This report is forwarded with the recommendation that the Court defer a decision regarding acceptance until the Court has reviewed the Plea Agreement and the presentence report.

DATED this 13th day of December, 2016.

United States Magistrate Judge
